**Do you struggle to consistently return to God a small portion of what He has blessed you with?** Do you forget your envelope, your checkbook, or struggle to deal in cash? Fear not!

Our church has a new option for you to consistently give a portion of what you earn. You can do one time giving or set it and forget it. You can also specify particular projects you would like for your giving to go. You will also receive a statement for tax purposes at the end of the year.

We would encourage you to visit:

<http://get.tithe.ly/>

or

Search in your preferred app store for: ***Tithe.ly***

You can download the app and walk through setting up your own account. You can search for local churches or simply type in:

***Immanuel Lutheran Sweet Springs***

Once this is done you can choose to link a checking account or use a debit card (higher percent fee).

I have had ours set to draw out a tithe from our checking account the past number of months. It has worked very well.

If you have questions please contact either Cindi Sims or myself and we will do our best to help make this work for you.
